

Patient COVID-19 Pre-Appointment Screening

Be advised, should you answer **YES** to any of the COVID-19 screening questions below, it is your responsibility to contact our clinic and reschedule your appointment:

1. In the past 48 hours have you had, or are you currently experiencing:

i. Fever OR Cough (new or worsening)

OR

ii. Two or more of the following symptoms (new or worsening):

- Sore throat
- Runny nose/nasal congestion
- Headache
- Shortness of breath

2. Are you waiting for COVID-19 test results?

3. Have you tested positive for COVID-19?

4. Have you been in close contact, without PPE, with someone who is a suspected or confirmed COVID-19 patient, within the last 14 days?

5. Have you travelled outside of Atlantic Canada within the past 14 days?

6. All patients must review the Nova Scotia Public Health COVID-19 exposure sites listed here:

<http://www.nshealth.ca/covid19-news>

If a patient was at any site where the public is being instructed to be tested for COVID, the patient's appointment should be moved and they should be directed to immediately self-isolate and notify 811 for testing and further guidance.

If all answers to the above screening questions are **NO**, follow the protocol below:

- Call the clinic at 902-445-9255 when you arrive in the parking lot and our team will advise you when it's clear to enter.
- Arrive wearing a mask and sanitize your hands upon entering the clinic. If you have been declared exempt from wearing a mask, we require patients to wear a face shield to enter the clinic.

Any questions do not hesitate to contact us directly:
